

## Pack 180 Webelos Ceremony

### Cub Master:

In fourth and fifth grade, Cub Scouts are brought into the tribe of Webelos. Webelos stands for "we'll be loyal scouts." In the tribe of Webelos, boys prepare themselves for Boy Scouting. Webelos work on 20 different activity badges from five skill groups: physical, mental, outdoors, community, and technical skills. After three months in the Webelos Den, earning three activity pins and learning about Boy Scout ways, they have completed all the requirements for the Webelos badge.

There are Cub Scouts among us tonight who have earned their Webelos Badge.

### Den Leader:

Would the following boys please come forward with your parents to be recognized and honored by the Pack.

Cubmaster:

It is our pleasure to award your Webelos badge to your parents, who have been your Akela in completing these requirements. Parents, please pin the Webelos badge upside down to your son's left shirt pocket and congratulate him on a 'Job Well Done'. Once a good deed is performed, the badge may be permanently attached right side up.
